Summary: Since no one had plans for spring break, Lynnette, my candy suggests going on a camping trip. While there she grows closer to the handsome student counsel president she helped escape from his abusive home. Will true love bloom between the two or will Nathaniel and Castiel's fighting and the intrusion of Amber and her friends ruin everything?

## Spring Break Campout

Note: OK, so I got this idea to write a My CandyLove fic where my candy, Lynnette and her friends decide to spend Spring Break camping. So here we go.

### Chapter One: Spring Break plans

Sweet Amoris High School, lunchtime\*

The cafeteria was louder than usual today. Everyone was buzzing about the upcoming break. A whole week to just relax and have fun with friends. Lynnette was sitting at the table eating lunch with her usual group of friends, today the boys decided to join them. "So, any plans for break?" Rosayla asked in between bites.

"My dad wants me to join him for a week of military training. So I'm going to be busy." Kentin said.

"I have no plans either." Kim said.

"This is going to be the first Spring Break I have, where I don't need to spend it studying, but I haven't figured out what I want to do." Nathaniel said shrugging before taking a drink of water.

"I have a few new games I want to try out, but other than that, nothing." Armin said. Alexy shook his head while mouthing. "I don't have plans".

"I don't either." said Lysander.

" I have nothing good to do other than take Demon out every day." Castiel said. Melody looked down and shook her head. Suddenly an idea popped into Lynnette's head.

"since most of us don't have plans. Why don't we all go on a camping trip?" She said as her blue eyes shined.

"I've never gone camping before, but I'd like to give it a try." Nathaniel said.

" Really, you'd think that someone like you would've been a damn Boy Scout." Castiel said sarcastically.

"It's not like I never wanted to go camping, it's just my parents didn't give a fuck what I thought or what I wanted to do. So I never went camping, but now I'm free to do what I want." Nathaniel said with pride.

"well, it's a lot of fun. My parents used to take me camping at least once every summer." Lynnette said.

"I believe you, Lynnette. So is it settled?" Nathaniel asked.

"I'm game." said Armin.

"It will be much better than staying home all week." Alexy agreed.

My only concern is that I might not be able to bring White." Nathaniel said worrying about his cat.

"I won't be home to take care of her and I know for a fact that Amber won't agree to feeding, watering, and spending time with a cat. I don't trust her to do a good job either."

"I don't think I can go, so I'll watch her Nathaniel." Melody said.

"You'd do that thanks, Melody. I'll lend you my spare key before break and write down a list of everything White needs while I'm gone." Nathaniel said greatfully. The bell ending lunch rang.

"Ok, we all can meet at my house after school tomorrow so we can finish planning. I'll try to find a good campground or something by then." Lynnette said before throwing out her trash and heading to her next class.

I hope you enjoyed my prologue. This is also going to be very Lynnette/ Candy x Nathaniel centered since I don't see a lot of fics focused on them.

file.
